

Announcement about HEC Servers (2016)

Please Help us reach our goal of \$4,000 towards our systems Infrastructure upgrade. 100% of the donations go for the cause. All of HEC staff are Non-Paid volunteers.

TO: Forum Users, Subscribers and HEC Friends

HEC (www.greece.org) is pleased to announce that we upgraded our systems with brand new servers and refreshed applications. An additional server was deployed for helping us keeping up with the demand and improving our free services for Hellenism.

To help us covering the procurement of the new hardware and the operating cost to the Internet provider we are asking for your support. Our modest goal is to raise \$4,000 for this IT modernization infrastructure effort.

NO DONATION IS TOO SMALL

We still working in optimizing our free services.
We appreciate your support.
