

[Hellenic Genocide - Original webpages](#)

"...The extermination of the Christians of Turkey was an organized butchery, carried out on a great scale, and well under way before the Greeks were sent to Smyrna. We have seen it in operation in the days of Abdul Hamid, 'the butcher', we have seen it more fully developed and better organized under Talaat and Enver, those statesmen of the 'Constitution'. We shall behold it carried out to its dire finish by Mustapha Kemal Atatürk ..."

George Horton, Chapter IX, The Blight of Asia, 1926

[Perpetrators of the Greek Genocide: Mustafa Kemal Atatürk \(1881-1938\)](#) - the consummator of the Greek Genocide (PDF, courtesy Greek [Genocide Research Center](#))
