

Curriculum Vitae – Theodore G. Antikas

Career 2004-08: Visiting Onassis Professor, History Dept. and Jackson School of International

Studies, U. of Washington. Taught Hist-420, 490, 494B (Ancient Olympics); HSTEU-364

(Modern Greek HistoryH). Syllabi are seen at <http://faculty.washington.edu/antikas>

2005-08: Adjunct Professor, Bio Sciences Dept., Skagit Valley College, Mt. Vernon, WA.

Taught Human Anatomy-Physiology 106, 242, 243, Biology 241 & Med Terminology 102

2000-04: Senior Lecturer, Aristotelian Univ. College of Agriculture. Taught Anatomy and Physiology

to graduates in Animal Sciences; and archaeozoology to graduate students in the Archaeology Dept.

1992-97: Associate Professor Thessalian U Faculty of Agriculture, Volos, Greece. Taught

theory and labs in General Physiology to undergraduates of Animal Sciences

1983-91: Lecturer, Dept. of Surgery, Ecole Nationale Veterinaire, Alfort, Paris. Taught

Laser Surgery & Therapeutics to graduates; directed the College's Laser Unit; and was

appointed Federal veterinarian of the French equestrian pony teams from 1985 to 1990

1974-82: Assistant Prof., Athens U Medical School, Experimental Physiology Department

Taught graduates & undergraduates in medicine and nursing; directed the University's

Laboratory Animal Center

1970-73: TA, Graduate College, Dept. of Human Physiology, U of Illinois at the Medical Ctr., Chicago.

Taught human physiology to graduate and undergraduate students in medicine, nursing and pharmacy

1969-73: Resident investigator, Hines VA Hospital, Hines, Illinois. Taught Laboratory Animal Medicine,

Science and Technology to post-graduate veterinarians

1962-69: Anthropology & Biology Center, Hellenic Army General Hospital, Athens. Directed the Center's

Lab Animal Unit and the Lab Animal Unit for Medical Research, Pasteur Institute, Athens

Languages Ancient/modern Greek, English, French, German, Latin, Spanish

Societies Anthropological Society of Greece, Pierian Chapter; founding member, 1992

Association of Nuclear Medicine, Athens; member since 1977

Hellenic Equestrian Federation; athlete and event vet since 1992

Hellenic Medical Association; active member since 1974

Hellenic Veterinary Association; active member since 1962

Hellenic Zootechnic Association, Thessalonike; member since 1982

Animal Welfare Institute Internat'l Committee, Washington DC; member since 1969

Association Veterinaire Equine Francaise, Paris; member, 1982

Classical Association of the Pacific Northwest, Seattle; member since 1999

Euro Pony Club Association; co-founder and delegate; member since 1989

European College of Sports and Exercise Physicians; member in 2010

Federation Equestre Internationale; international judge & event vet since 1978

International Council of Archaeozoology, Washington DC; member since 1997

Sigma Xi Research Society, New York; member since 1973

Veterinarians for Equine Welfare, Washington, DC; member since 2004

Publications Over 240 papers and 21 books (viz. selected titles on pp. 2-3) on: History; Greek and Roman

literature on the history of the ancient and modern Olympics; Human anatomy; Archaeozoology;

Equine sports medicine; Laser therapeutics and surgery; Laboratory animal medicine, science and technology.

Editions Member to the editorial boards of (a) Hellenic Journal of Medicine; (b) *Animal*

Regulation Studies
, Elsevier Publ.;

and (c) *J Equine Vet Med*, Wildomar California

89 Selected Publications as author or co-author (1976-2011)

2011: -Βάση Δεδομένων και πρόδρομες παρατηρήσεις στοσκελετικό υλικό απο το θάλαμο του τάφουII στη ΜεγάληΤούμπα

της Βεργίνας. ΑΕΜΘ 24 (υπό δημοσίευση)

-*Comparative Osteology & Methods of Identifying Mammals in Archaeological Digs*, 2nd ed., 'To Tetarto' (ed), Katerini,

Greece (**book-12** in Greek)

-*Poseidippos, Opos Ippos*. To Tetarto Publ., Katerini, Greece (**book-11** in Greek, in press)

-*The Pontian genocide*. Text of a lecture on May 15, 2011 delivered in Pieria as keynote speaker

2010: -*Horses and Horsemanship*. To Tetarto Publ., Katerini, Greece (**book-10** in Greek)

-*Scapular Lesion on a Juvenile of the 3rd c. CE from Northern Greece*. PPA Newsletter no.149, 2010 19-21

-*Paleopathology in Greek horses from Homeric to Hellenistic times*. Abstracts APWG Congress, Katerini, Greece, 2011, pp.1-6

-*Αναλύσεις σκελετικών καταλοίπων απο δυο τάφους Εποχής Σιδήρου στα Λευκάδια Ημαθίας*. 17th Ephorate (ed), pp.1-12

2009: -*Analysis of Human Remains of the 3rd c. CE from Beroia*. 17th Ephorate of Antiquities (ed.) p.1-24

-*Analysis of Human Skeletal Remains from the Archaic Burial Ground at Asomata*. In E. Kefalidou (ed), Asomata,

an Archaic Cemetery in Hemathia. Kyriakidis Brothers S.A Publ. House, Thessaloniki, pp. 123-128

-*Analysis of Human and Animal Remains from the 2009-Excavations at Beroia*. 17th ΕΠΚΑ (ed.), pp.1-8

-*Ichthyophagoi Hippoi in Macedon, 7th-3rd c. BCE. Was Herodotus telling the truth?* Hellenoram a v.64 : 53-61

2008: -*Plagiarism: the Ancient Greek Arete and Christian Virtue*. T&L Newsletter, Skagit Valley College, Spring 2008, pp. 2,13

-*The ancient Greek Arete and the Christian Virtue*. T&L Newsletter, Skagit Valley College, Summer 2008, pp. 2, 13

-*Analyses of human and animal remains from Tomb A at Vergina*: In Kyriakou A., The Stenomakri Toumba at Vergina-

Burial Rituals in Macedonia of the Fourth Century BC. K. Sfakianaki editions, Thessaloniki 2008, pp. 299-308

2007: -*Fish Eating Horses in Central Macedonia, 5th c. BCE: Was Herodotus Right?* Veterinar. ir Zootechn. 44(66):31-37, 2008

-*They Didn't Shoot Horses: Fracture Management in a Horse of the 5th c. BCE from Sindos, C. Macedonia, Greece.*

Veterinarija ir Zootechnika 42(64): 24-27

-*Teaching "Killer Courses"*. T&L Newsletter, Skagit Valley College, Spring 2007, p. 2-3

2006: -*Symbols of Heroism: Horse Burials in Royal & Common Macedonian Tombs.* In: "*Equids in Time and Space*",
Mashkour M

(editor). Oxbow Books, Oxford, England pp. 204-210

-*Filostratos: Education is the sun to the educated.* Keynote lecture at AHEPA's Foundation, Seattle, Washington

2005: -*Perimortem weapon trauma to the thoracic vertebrae of a 2nd century BCE adult male from Macedonia, N. Greece.*

Journal of Paleopathology 16(2): 69-78. **Discovery Channel film, 'Who killed T-38?'**

-*Bucephalas: Common Burials of Horses and Heroes in Antiquity.* IXQP Journal 55: 86-97

- *The Honour to be Buried with Horses: From Mycenaean Nemea to Macedonian Vergina*. In: *Les Equides dans le Monde*

Mediterranean Antique. Arnelle Gardeisen (ed.), CNRS 143-51, France

2004: - *Ancient Greek Olympionikai, 776 BCE-393 CE*. Euandros editions, Athens (**book-9** in Greek)

- *Olympica Hippica*. Euandros editions, Athens (**book-8** in English)

- *Analysis of skeleton 2003 found at Angelochori, Beroia*. Archeological Museum of Beroia (ed.), pp. 1-8

- *Analysis of human remains of T-6 at Asomata, Delik-Tas: a Report*. 17th Ephorate, Edessa (ed.), pp.1-6

- *Human and Animal Skeletal Analysis of Nine Burials from the Site at Monasteriou Street, Beroia* : A Report. 17th Ephorate,

Edessa (ed.), pp 1-16

2003: - *Fracture of the Atlas of a Greek Male in the Early Iron Age*. PPA Newsletter 123: 17-18

- *Case study: Analysis of skeleton #02003 found at Angelochori, Beroia*. 17th EPKA (ed.), pp.1-8

-Case study: *Skeletal analysis of T-I at the sanctuary of Eukleia, Vergina*. Aristotelian U Dept. of History (ed)

-*Funeral horse carts discovered in Thrace, Greece*. *Minerva* 14(3): 4-5; & *European Archaeologist*, 19:17-18

-*Symbols of Heroism: Burials by the Via Egnatia*. Proc. 9th Int. Meeting EAA, St. Petersburg, Russia, pp 1-24

-*Human and Animal Skeletal Analysis of Nine Burials from the Site at Monasteriou Street, Beroia*. 17th EPKA(ed.), pp.1-20

-*Statue of Zeus Hypsistos discovered at Dion*. *Minerva* 14(6): 4-5

2002: -*Horses and Heroes in the Tomb of Philip II*. *Minerva* magazine 13(1): 46-49

-*Paleopathology in a horse skeleton of the 6th c. BCE from excavations at Polykastro*. 16th Ep horate, Thessalonike (ed.)

-*Was Bucephalas For Real? Recent Finds in Royal and Common Macedonian Tombs*. In *Bones and the Man*, T. O'Connor

and K.M. Dobney (eds), Oxbow Publ., Oxford, pp.30-35

-*Cultural Heritage: The real 'Aidonia Treasure' was a sacrificial horse*. Abstracts 8th Annual Meeting of the European Assoc.

of Archaeologists, Thessalonike, p. 255

-*Tzamala-IV: Common and Traumatic Pathology on Skeletons of the Late Bronze and Early Iron Age.* Archeologicon Ergon

in Macedonia and Thrace, 16: 509-18

2001: -*New statues from Cycladic Kalymnos.* Minerva 12(4): 4

-*Rare gold wreath of the 4th century BC found in Nea Apollonia, Greece.* Minerva 12(1): 4

-*Roman soldier's tomb uncovered at Patras.* Minerva 12(6): 3-4

-Theodoros Florides (pseudonym of T.G.Antikas), *Thirty Years with Animals.* 1st ed., Ithaca Publ, Athens (**b**
ook-7
in Greek)

2000: -*The Indigenous Horses of Greece.* Greek Ministry of Agriculture (ed), pp. 42 (book)

-*Via Egnatia. Ancient Greek Cities Along A Restored Roman Road.* Minerva 11(6): 30-32

1999: -*Comparative Osteology & Methods of Identifying Mammals in Archaeological Research*
1
st

ed., Aristotelian U Thessalonike

(**book-6** in Greek)

- *The Numismatic Museum in Athens*. *Minerva* 10(6):47-9

- *Early coins in the Aegean*. *Minerva* 10 (6): 50-51

- *The necropolis at Nea Philadelphia in central Macedonia, Greece*. *Minerva* 10(1): 4-5

- *The coastal necropolis of Akanthos*. *Minerva* 10(4): 40-43

51

1998: - *Hippotherapy with Sosanders and Sosipais*. *Nemesis* 16: 110-112

- *The Aiani museum opens in western Macedonia*. *Minerva* 9(4): 33

1997: - *Pharmacokinetics of antibiotic treatment of Brucella and Salmonella spp. infections*.

Proceedings

X

V

th

World Symposium of

the AVM, Limassol, Cyprus

- *Thrills and spills in horse games at Olympia*. JEVM 17(6): 282-285

- *Avra, an unforgettable derby mare*. Hellenic Times, 5/5/97, p. 24

1996: - *A new museum for an ancient Greek city*. Minerva 7(5): 40-43

- *The Pony-Meter: A new device for measuring the height of equids with lasers*. JEVScience 16(8): 339-344

- *The "No Women Law" in the ancient Olympics*. Greek Times 5/4/96, p. 24

1994: - *The Therme Horse*. Horse Rider 11: 54-55

- *Mammalian Anatomy & Physiology*. 2nd ed. Thessalian U Press, Greece (**book-5** in Greek)

1992: - *A five-year project for the conservation of the 'Ainos Pony' (Equus caballus)*. Proc. 4th Int. Cong. of the EUCC, Marathon

1991: - *Low-power laser effects in equine traumatology and post-surgically*. Lasers in Orthopedic and Veterinary Science, D.

Dederich (ed). Los Angeles. SPIE vol. 1424: 186-197

1987: - *New technique of measuring the height of equids with a Pony-Metre utilizing a laser*

beam . Equine Practice 10: 30-34

1985: -*Soft lasertherapie dans la pathologie musculosquelettale du cheval athlete*. Lettre Hebdo Veterinaire 5: 5-8

-*Physiologie et Clinique du Laser – Fisiologia e Clinica del Laser*. Prof. M. Tolomelli and K. Torre (eds), Scuola Superiore

di Bologna, Italy (bilingual **book-4** in French and Italian)

1984: -*Rapport sur la palatabilite du Motricit. Essai clinique aux chevaux athletes*. Proc. du Congres de l' Association Veterinaire

Equine Francaise, Mulhouse, pp. 5-6

1983: -Theodoros Florides (pseudonym of T. G. Antikas), *Thirty Years with Animals*. 2nd ed., Cactus Publications, Athens 2001,

pp. 240 (**book-3** in Greek)

1981: -*Riding Chronicle 1979- 80*. Equum editions, Athens (**book-2** in Greek)

1980: -*Laboratory Animal Technology IX: The utilization of cell populations from animals in the in vitro quantification of*

phagocytosis in human patients. Proc. 6th Pan-Hellenic Medical Conference, Athens, pp.19-24

-*From Aesculaps to Galen: Roots of General Physiology*. Proc. 6th Pan-Hellenic Medical Conference, Athens, pp.1-14

-*Ethics in laboratory animal use and technology; and Training in lab animal medicine and technology in developing countries* .

Proc. 6th Pan-Hellenic Medical Conference, Athens, pp. 21-44

1979: -*Ιδιομορφία της φυσιολογίας του πεπτικού συστήματος και των ενζύμων του αίματος του κονίκλου* . ΙΕΕΔ 13:113-17

-*Απλοί μέθοδοι κατασκευής πλαστ. καθετήρων διασωλήνωσης σε μικρά και μεγάλα πειραματόζωα* . ΙΕΕΔ 13: 119-23

-*Μέτρησις της παροχής σε παροχετεύσεις (shunt) υδροκεφάλων δια της ιστοτοπικής κοιλιογραφίας* . ΙΕΕΔ 13: 195-99

-*Συμβολή στη Μελέτη των Οργανοληπτικών Χαρακτηριστικών του Βοείου Κατεψυγμένου Κρέατος*
. Ελλ. Κτην. 21:100-108

-*Γενική βιβλιογραφία εργασιών σχετικών με Τεχνολογία Πειραματοζώων*. ΙΕΕΔ 13:111-12

1978: -*Βιοϊατρικές εφαρμογές των Η/Υ. Νέο πρόγραμμα ευρέσεως των χρόνων αγγειακής καθάρσεως μικροσωματιδίων και καρκινικών*

κυττάρων επισημασμένων με ραδιοϊσότοπα. Ιατρ. Επιθ. Εν. Δυν. 12: 581-584

-Τεχνικές αξιολογήσεως των συστημάτων αμύνης του σώματος σε πειραματικά πρότυπα. ΙΕΕΔ 12: 585

-Μέθοδοι μετρήσεως των αλληλεπιδράσεων μακροφάγων-λεμφοκυττάρων του ΔΕΣ *in vitro*. ΙΕΕΔ 12: 587-590

-Απλή μέθοδος μετρήσεως της χημειοταξίας των φαγοκυττάρων του ΔΕΣ *in vitro*. ΙΕΕΔ 12: 591-596

-Τεχνικαί Πειραματοζώνων IV. Βιολογικός έλεγχος φαρμάκων δια πυρετογόνα και τα προβλήματα του. Ελλ. Κτηνιατρική 21(1): 7-15

-Τεχνικαί Πειραματοζώνων V. Πειραματικά μοντέλα-τεχνικαί δια την μελέτην μεταμοσχευσίμων όγκων & αντικαρκινικών φαρμάκων

εις την φυσιοπαθολογίαν. ΙΕΕΔ 12: 55-64

1977: -Kupffer cell clearance function following intravenous tumor cell challenge. Journal of the Reticuloendothelial Society 22: 1-12

-Singer's Animal Liberation – a review. Animal Regulation Studies 1:95

-Τεχνολογία Πειραματοζώνων VI:Βιολογικό τέστ ευρέσεως της ημισείας θανατηφόρου δόσεως (LD-50 test). Προβλήματα,

εναλλακτικές μέθοδοι εφαρμογής. ΙΕΕΔ. 12: 385-91

1976: - *The Laboratory Animal in the Study of Reproduction*. Gustav Fischer Verlag, New York and Stuttgart, (**reference book-1,**

World Health Organization Research Training in Human Reproduction).

-Επίδρασις του χειρουργικού τραύματος επι της ενδο-αγγειακής καθάρσεως και ιστικής εντοπίσεως ραδιοσημασμένων

καρκινικών κυττάρων τύπου 'Carcinoma Walker-256'. ΙΕΕΔ 10: 455-483

-Decreased resistance to intravenous tumor cell challenge during periods of reticuloendothelial depression following surgery .

Brit J. Cancer 34: 381-89

Referee: Professor Carol Thomas, University of Washington, Department of History (carolt@u.washington.edu)
