Agenda - Previous (Open Meeting)

10. Introductions
11. Earlier than 2pm is better, but we are trying to accommodate Eleni who is working until 2pm. We will further discuss the time of the meeting during the month.
12. Nico explained the database backup and showed us where the files and the scripts are located.
13. Terry brought up the participation issue and discussed methods of expanding the EC, as well as taking action for those who do not have the time to participate.
14. Nico suggested to invite people to work for projects and then, based on their participation, we invite them as observers to EC prior of offering a position.
15. Nico suggested “observers” ... not participating but show much time they have on their hands.
16. Thanos suggested to engage with our members who have expressed interest.
17. Thanos will get a list of people who responded in the requests for Open Positions.
18. Eleni suggested to make our requests and communications at more personal level when we request as to what specific help we need.

The meeting was adjourned after at 3:30pm, one and a half our duration.
