

NONPROFIT GOALS AND OBJECTIVES

Status to date	Success Indicators	Current Status	1 yr Objective
INTERNET SERVICES Continue, improve and expand Internet services to Hellenic Organizations	Newsletter thru Hellenic-Net on activities and on services provided. http://www.greece.org/main/index.php?option=com_content&view=article&id=1224&Itemid=384	Not regular	To assign a team in preparing a newsletter 3x per year.
INTERNET INFRASTRUCTURE Continue to maintain high quality internet infrastructure	Handling traffic and mail in exceedingly high daily volume	Hardware needs upgrading	To upgrade all hardware and continue to invest in new software.
PROJECTS Annual Projects - Unwavering support and coordination for PPA	Collaboration with local organizations and local Government authorities	HEC representation provides communications and awareness, and an annual pledge of 2500\$ US	To expand fundraising so as not to drain internal pool of Funds
PROJECTS Long-term Projects- Continue to promote long-term ongoing Projects, such as WWII and Return of Parthenon Marbles	Many participants and volunteers collaborated on the main pages and derivative Projects.	Petition has over 200,000 signatures and Document has been released online.	To petition EU Government Agencies and the UN.
PROJECTS Awareness - Continue to approve Projects bringing awareness to Hellenic Matters, such as, Cyprus, Thrace and Macedonia.	New pages have been introduced online featuring key regions of Hellenic interest	To fuse and migrate current and new pages as well as becoming key reference source	Assign sub-committees with technical to maintain the accuracy and relevance of these regions.
EHK.GR Develop and Introduce the Greek page EHK.GR	Domain name locked	Survey in order to reflect local Greek interests.	To become key reference and resource in Greece for Hellenic associations in Greece and surrounding regions.
SCHOLARSHIP Program Inaugurate Project intended to assist Greek Research and Innovation in Greece for existing or new programs	Attended information session by Professor Thomas Maloukas and Greek Government Representative for Research and Innovation	Informed of the need for scholarships directed to Research and Innovation in Greece	To establish an Independent Fund, intended to provide Scholarships to existing and/or new programs in Research and Innovation in Greece.

UN Partnership Existing contact is Dr Ani Kalayjian	HEC is an international non-profit and non-partisan organization	Only Dr Ani Kalayjian coordinates UN HR Press releases through HEC	To partner with other UN Agencies and Organizations on all UN subjects relating to Greece and Hellenism
WEB SITE Presentation Overlapping of three representative phases (Hellas, HEC and new portal)	Uses OPEN CMS which is User friendly but vulnerable to hackers	Although Specialists are few, all Users can Post and Edit.	To revamp the entire new Portal for less clutter and better organization of content material.
HEC Websites and Blogs	Websites and Blogs use Wordpress, which is user friendly and with a better layout.	Better web design and organization of content material.	To introduce all new pages to WordPress.
HEC SPONSORS Recognizing Sponsors, Benefactors and Associates on Home Page	Sponsors are few and random, with last promotional package sent in 2004 and only 2 sponsors in the last 5 years (Lexmark and Livani Publishing)	Lack marketing skills to seek sponsors, other than internet host provider (Pointer and Ark Telecom)	To mail promotional package seeking sponsorship and recognition by other Hellenic Organizations
ACTIVE Discussion Lists Administrative, Action, MEMBERS, and Forum	The speedy developments after the economic crisis world-wide (2008) and in Greece, namely, the refugee crisis in the Mediterranean, have dumbfounded all Subscribers.	Discussion Lists are at a current low. The internal fallout after 2011 led to a rival PhD List (IHA-Professors-PHDS) https://professors-phds.com/	To reunite and collaborate with the rival break-away group
