

George Sakopoulos

Born in Syfnos in September 13, 1790

George Sakopoulos was the father of Nikolaos Sakopoulos father of Aikaterini who married George Horton in 1909.

Based on this information, Hellenic Electronic Center wrote to the French Navy archives, via the military attache of France in Greece, requesting information about George Sakopoulos. The Archives of navy, were kind enough to send us the archives which are listed on the left site of this page..
